

GUIDETM10^{PLUS} RECHARGER

2,300mAh Battery Pack

Portable, rechargeable battery pack for power-hungry gear. USB output for charging phones and boosting tablets.

Rechargeable Batteries

Charge AAs from the sun or any USB port, then power your phone or gear. Comes with four AA rechargeable batteries.

Optimized for Solar Charging

Rapid charge from the Goal Zero Nomad 7 Solar Panel – a rugged, 7-watt panel that works to power up anywhere. Also charges from any USB port.
